Kevin,

I will see what I can find but my first instinct is to say no. I remember something about them having to be used for front line law enforcement. Which is what we have always used them for and how Bradbury has used them for as well.

Subject: ALPRs & COPS funds

Brian,

Quick question – do you think that COPS funds could be utilized to partially pay for the discussed ALPR? This is important as we are in the middle of the budgeting cycle. Additionally, Staff here is having a hard time locating the exact specifications of what COPS funding can be utilized on.

Thanks,

Kevin
